OFFICE OF THE PRESIDENT, SRI NARASIMHARAJA HOSTEL, BANGALORE.

Abstract Notice dated 14th May 1939.

Attention of the public is invited to the Tender Notices published in pages 901 to 904 of the *M* *Gazette*, dated 11th May 1939, calling for tenders for the supply of provisions, curds and milk, vegeta and stationery to the Sri Narasimharaja Hostel, Bangalore, for the year 1939-40.

But they are also informed that clause 2 in the Tender Notice for the supply of provisions, etc. modified as noted below:—

"No tender will be received from those who have no regular shops in Bangalore City or Bangal Cantonment." According to this modification those who own regular shops in Bangalore City an Bangalore Cantonment can send their tenders for the supply of provisions, etc., within the due date according to the conditions prescribed in the Tender Notice for provisions, etc.

M. A. NARAYANA IYENGAR,
President.

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE SECRETARY TO GOVERNMENT, ELECTRICAL DEPARTMENT.

Notification.

It is hereby brought to the notice of the public of Mysore State that the Government of Mysore is considering adopting a frequency of 50 cycles for the Jog Falls Generating Station.

Power consumers and the public are requested to obtain technical advice and guidance from competent authorities in the purchase of electrical equipment for various undertakings and to purchase only equipment suitable for operation on the present 25 cycle power supply as well as on a 50 cycle supply, as far as possible. The Chief Electrical Engineer to the Government of Mysore, Electrical Department, will be glad to advise on all technical matters relating to the choice of equipment. The public are advised to adopt the procedure to avoid the necessity of having to replace 25 cycle equipment by 50 cycle equipment later.

H. N. COLAM,
Secretary to Government,
Electrical Department.

OFFICE OF THE SUPERINTENDENT, POWER & LIGHTING, BANGALORE.

Abstract Notification.

Subject:—TENDER FOR PROVIDING ELECTRIC LIGHTS TO THE NEWLY BUILT POLICE LINES NEAR ELECTRIC "A" STATION (2ND LINE), HIGH GROUNDS, BANGALORE.

N. N. MOUDGAL,
For *Superintendent.*

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, BHADRAVATI.

Notification dated 25th May 1939.

1. Sealed tenders in triplicate will be received at the Office of the Superintendent, Power and Lighting, Bhadravati, superscribed with the name of the work mentioned below.

2. The plans connected with the work may be seen at the Office of the undersigned and Office of the Senior Operator, Power and Ligat, Shimoga, at all working hours. The copy, if required, will be made available on payment of Rs. 5 per set.

3. The tenders should be drawn up strictly in conformity with the specification furnished, writing out the rates at which each item of work will be executed in figures as well as in words, failing which no cognisance will be taken of the tender. No items other than those noted in the statement should be included as the items cover provision for all sundries, repairs to damaged masonry and painting.

4. The materials to be used on the work should be of best quality conforming to the specification of this department and B. S. or A. I. E. E. specifications. Mention should also be made of the manufacture and the catalogue number of the materials offered. Teakwood planks to be used on the work should be free from knots, cracks and well seasoned. No planks less than 12" in width will be permitted to be used unless it is to make up the difference in size of the board required. Only the lap joints should be adopted in all cases. Lamp holders, ceiling roses, control switches, covers, etc., should be of reinforced bakelite materials

5. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

6. The successful tenderer will be required to deposit an earnest money of Rs. 60 (Rupees sixty only) and execute an agreement within a week from the date of intimation of acceptance of the tender. He should send samples of all the materials required for the work mounted on a board and start the work after obtaining the approval of the undersigned with regard to the same and carry out the wiring following
